Rachel Simon's sister Beth is a spirited woman who lives intensely and often joyfully. Beth, who is intellectually disabled, spends her days riding the buses in her Pennsylvania city. The drivers, a lively group, are her mentors; her fellow passengers are her community. One day, Beth asked Rachel to accompany her on the buses for an entire year. This wise, funny, deeply affecting book is the chronicle of that remarkable time. Rachel, a writer and college teacher whose hyperbusy life camouflaged her emotional isolation, had much to learn in her sister's extraordinary world. These are life lessons from which every reader can profit: how to live in the moment, how to pay attention to what really matters, how to change, how to love—and how to slow down and enjoy the ride. Elegantly woven throughout the odyssey are riveting memories of terrifying maternal abandonment, fierce sisterly loyalty, and astonishing forgiveness. Rachel Simon brings to light the almost invisible world of intellectual disability, finds unlikely heroes in everyday life, and, without sentimentality, portrays Beth as the endearing, feisty, independent person she is. This heartwarming book about the unbreakable bond between two very different sisters takes the reader on an inspirational journey at once unique and universal.
