Do you believe that your inner guidance has superior knowledge and wisdom to guide you to the fulfillment of your desires? Are you repeating undesired patterns in your career, love, health, money or in your quest for self-knowledge? From a lifetime of meditating, teaching, traveling, and learning, author and podcaster, Omar M. Makram states that trusting our Innate Guide is the missing ingredient that can create the life we have dreamed of. He encourages you to let go of the confusing chatter that leads to your unfulfilled potential. You may have read all the self-help books, tried the Law of Attraction and followed various disciplines for success, yet you still feel stuck doing the same things and expecting different results. What if your inner being is urging you to start listening from within? In this Truth-revealing book, *Transcending The Maya Matrix*, he uncovers the sacred laws called the Seven Simple Steps. You will learn: 1. The illusion of reality 2. Reclaiming your power from that illusion 3. Befriending your true self and life 4. Opening the door to joy and abundance 5. Allowing joy and abundance to guide you 6. Realize that you ARE that joy and abundance. This book has illustrations, examples

and downloadable journaling exercises.--
