Andie Marks, known as Party Girl in her college days, is now a whip-smart lawyer on the fast track to success. Determined to move on from a bad break-up, she joins her girlfriends for a wild bachelorette weekend in Las Vegas, promising to let her hair down just this once. Vegas is a blur of cocktails and blackjack, and in the middle of it all she meets Mack, a real-life cowboy with a winning hand and an irresistible body. They get lucky in the casino and luckier back at the hotel, a hot night of passion that was definitely not part of Andie's life plan. By dawn Mack is gone and all she has to remember their one-night romance is a hangover and a pile of casino chips. Or so she thinks. Revised edition: This edition of Shine Not Burn includes editorial revisions.
