By day she ensures the safety of those she rescues, by night she hunts evil, dispensing justice swiftly and without mercy, determined to give to those she cares for the peace she has never known. There is no power without price. Praise for High Voltage A romance wrapped up in a thrilling sci-fi novel what more could you want? PopSugar If you've never read a Karen Marie Moning book before, you're missing out. Her heroines alone are worth the read. . . . Despite being set in a dystopian world filled with magic and fae, the obstacles that these characters go through are very much humanlike. . . . Cannot wait to see where [she] takes this series next. Under the Covers
