Mason Manning was the man of my dreams. I wanted him. Needed him from the time I knew what real need was. When he asked me to be his fiancée, I knew this would be my chance. I was a virgin who could finally be with the man of my dreams. But it was fake. I'll pretend he's mine until he walks away... Sage Winchester was my best friend's kid sister. Only she's not a kid anymore. She's all woman with big blue eyes, long shapely legs that look like a wet dream in painted on denim. I want her but I can't have her. When I needed a fake fiancée, she's the one I ask. It was just a little bit of pretending for a few months. Until a hotel in Houston changed everything between us.
