CONTINUE ►

Don Miguel Ruiz uses inspirational stories to impart the wisdom of the three Toltec masteries - Awareness, Transformation, and Love. He examines the common fallacies that can undermine love and shows listeners how to gain wisdom, sidestep fear, and end the war of control with their partners. Through stories such as "The Man Who Didn't Believe in Love," "The Perfect Relationship," and "The Magical Kitchen," The Mastery of Love makes accessible the Toltec perspective on human interactions and provides techniques for creating life-enriching relationships.
