Eighteen-year-old Cricket Hollowell was looking for her place in the world when she discovered that the universe was bigger—and more dangerous—than she had ever dreamed. Now, whisked across space to the planet Ethar, Cricket learns that her genetic ability to see the future makes her a sought-after commodity...and the catalyst for war between her star-crossed parents' clans. According to Alameedan prophecy, one house will rise to power and the other will be completely wiped out, and Cricket's precognition is believed to be the weapon that will tip the scales. A target of both the Rafe and the Alameeda houses, Cricket finds protection—and a home—in the arms of Trey, her Etharian bodyguard-turned-boyfriend. But her visions of what's to come disturb her deeply, especially since she must discover whether the gift of foresight will allow her to rewrite the future, or if her fate is as immovable as the stars. Winner of the 2015 UtopYA Awards for Book of the Year, Best Book Hangover, Best Couple (Cricket & Trey), and Author of the Year.
