The top-selling Sterling Sketchbook series now features the popular new Kraft-cover format! With their quality paper and sturdy binding, this is the sketchbook of choice for both amateur and professional artists. This beautiful sketchbook contains acid-free, medium-weight drawing paper with a vellum finish that's perfect for everything from charcoal and pencil to light washes with ink and watercolor. Perforated pages make it easy to tear out "masterpieces" for framing or gift giving. All the copy (title, paper description, size, page count) appears on an attractively designed removable sticker that you can either leave on or remove for a clean, blank front cover.
