For drawing your own comics, here's a book with 127 pages, each with the borders for 6 comics panels already printed in. This "staggered" edition alternates between tiers with a larger panel followed by a smaller one, and tiers with a smaller panel followed by a larger; if you want six equal panels, look for The Blank Comic Book Panelbook - Basic. (Please note: This is intended as a idea and design sketchbook, not for final work. The paper is neither archival nor acid-free.)
