

## [Free PDF File] RUTHLESS: A Novel Set in Gothic Verona

**CONTINUE ►**

Agata flees from Verona to Venice with nothing but the clothes on her back. Accused of witchcraft, she prefers to risk the unknown than face the terrifying charge. Starving and cold, she wanders the streets in search of honest work but her efforts are fruitless. She eventually finds temporary respite in the sordid world of prostitution, but the sobering reality of human cruelty destroys her innocence. Determined to secure her financial and social future, she aids the Veronese warlord, Cangrande I della Scala, in committing vile acts that will earn her a place in Hell. Although she is handsomely compensated, she wants more—and she'll do whatever it takes to get it. This riveting novel features Cangrande ("Big Dog"), a fascinating historical character seldom seen in literature. Brimming with suspense and sensuality, RUTHLESS offers readers a glimpse into the intriguing yet brutal world of fourteenth century Italian life.
