This is the story of 20 year old Lucas Rollin. Orphaned at the young age of 10, his life is filled with struggles as a Superhuman, a genetically enhanced human. Living a life of poverty in the 23rd century, he could only barely sustain himself with his genetic differences compared to a normal human and survived by gaining money in virtual reality to pay for his food and survival. Now his final break came with a less than popular game [Magic Life] which features a special auto character creation process. During this process, he ends up with the Race Demon Lord and the class of the same name. Follow him as he plays in the virtual world that changed his life as the Demon Lord Akor as he trains in the tutorial zone facing countless choices in his [Magic Life].
