VanDam's new 2018 Rome StreetSmart maps all top attractions, churches, hotels, major architecture, monuments, and shopping - all at an immensely legible super-scale of 1:12,500, complete with 3-D building illustrations. Clear information design allows users to read the map from three feet away and has earned VanDam maps a place in the MoMA Collection. Rome StreetSmart includes a stunning dimensional detail of Centro Storico, Monte Mario, Villa Borghese, Salario, Tratevere, Foro Romano and more. The edition also includes a special 3D cutaway detail of Vatican City, as well as an area overview and a Transit map with Subway and regional trains. Simplicity reigns supreme in information design to make complex cities clear and understandable. Our typography creates character and reveals the true bones of the ancient city. VanDam uses a letter grid to identify locations on maps - no confusing and cluttering K-28 or V-34s - it's just the city from A-Z. Our covers map the icons of each city and turn them into collectible graphic art. Each sleek and laminated city map package opens to 24"

x 9" and then easily folds down to 4" x 9" to snugly fit into a shirt pocket or purse. Gain instant Roman StreetSmarts and a sexy souvenir to boot!
