Pro-Knot -The waterproof portable knot book! With over one million knot cards sold and more 5 Star reviews than any other knot book on Amazon, Pro-Knot is a highly respected and trusted name in knots. This Outdoor Knots version will serve you well whether you are lashing down a kayak on the roof of your car (use the Trucker's Hitch), hanging an adjustable line in camp (use the Tautline Hitch), tying a boat to a dock (Cleat Hitch), or you just need a quick peek at the good old Bowline Knot while outdoors. And being completely waterproof solid plastic means you can take them with you anywhere without worry - great for wilderness survival kits, boating, camping, and emergency preparedness. This six card set is easy to understand with clear illustrations for the twenty best all-purpose rope knots - see complete list of knots below. If it's on this card set, it is a proven, useful and trusted knot! These rope knots are universal for survival, boating, climbing, prepping, search and rescue, home and ranch, scouts, camping, paddle sports and any outdoor activity involving rope. There are step-by-step instructions for joining ropes together, tying rope to objects and making loops. DISCLAIMER: "We cannot guarantee the availability of this ebook on an external site."
