An astonishing journey through the creation of the seminal role playing epic, officially available in English for the first time ever! This holy grail of Final Fantasy fandom is packed full of original concept art, process pieces, and notes from the original artists and designers chronicling the creation of these timeless games. Dark Horse and Square Enix are thrilled to offer the first of three volumes celebrating the entrancing lore and exciting development of the initial six entries into the Final Fantasy saga. Totalling over three-hundred pages and collected in a high-quality hard-cover binding, Final Fantasy Ultimania Archive Volume 1 remains faithful to its original Japanese source material while simultaneously offering unparalleled accessibility for Western readers. No Final Fantasy collection is complete without this beautiful tome of art, lore, and history.
