One woman on the run. Four dangerously sexy bodyguards. And a war brewing that will change the shifter world forever...I'm living on borrowed time, fighting for survival against a deadly new virus that has no cure and a cult doing its best to brainwash me. But when a mysterious note shows up on my windowsill one night, its chilling message--Run, Wren--launches me out of the frying pan and into the fire. Within hours, everything I thought I knew about my life, my family, and my origins is obliterated, and I'm racking up enemies at an alarming rate. Between the cult I've just escaped, a violent shifter faction out for my blood, and an ancient evil who eats "chosen ones" like me for breakfast, my last hope is to join forces with four dangerous-looking men who claim they were sent to guard my life. Luke, a werewolf with a rap sheet. Creedence, a lynx shifter who never met a mark he couldn't con. Kite, a bear kin with a mean right hook and heart of gold. And Dust, my childhood best friend and dude voted least likely to be a secret shape-shifting griffin. But are these men really what they seem? Or are my alpha guardians hiding a secret agenda of their own? I'm not sure, but one thing is for certain--choosing the right allies will mean the difference between life and death. For me, and everyone I love. UNLEASHED is book one in the Dark Moon Shifter's series. It is a true reverse harem featuring one woman and her four mates.
