The Complete Guide to Potty Training is your all-in-one resource for personalized potty training that works. Potty training is a major milestone in your child's development. Exciting as it may be, potty training can also be overwhelming--for you and for your little one. As the founder of The Potty School(R), Michelle D. Swaney works everyday with families who are eager to potty train but want to make sure they do it right. Now, in The Complete Guide to Potty Training, the potty training expert and super-mom of three will help you do exactly that. The Complete Guide to Potty Training answers all your pressing questions and delivers the most personalized approach to potty training yet. With The Complete Guide to Potty Training you'll build the confidence you need to successfully potty train your child--and feel good doing it! From avoiding accidents to ditching diapers to managing meltdowns, Michelle has you covered with step-by-step potty training guidance that will get your child out of diapers and onto the toilet once and for all. In The Complete Guide to Potty Training you'll find: Answers to all your urgent potty training questions, including: nap time, night time, pooping, getting family members/caregivers on board, and more. A 5-step basic potty training plan that includes detailed instructions for what to do, when to do it, and how to make it enjoyable (or at least not miserable). Expert advice for tackling a wide range of potty training problems, such as: fear of the toilet, unhelpful siblings, backsliding, and general stubbornness. Helpful "Ask a Parent" features that chronicle other parents' potty training experiences and help you navigate your way through common challenges. Potty training may not be easy, but it doesn't have to be scary. With The Complete Guide to Potty Training you'll find everything you need to become the potty training expert of your home.
