CONTINUE ►

Fighting her own sister in the underworld wasn't the plan. Meeting Nollix's less-than-charming Demon friends was not the plan. Finding alliances in the eerie creatures that nightmares are made of, was definitely not the plan. Violence had a plan. A real one. A good one: stop the Mad King. Fall in love with one—maybe two, certainly not three—men. And then probably live happily ever after. What if happily ever after doesn't really exist? This is the final book in a reverse harem series, recommended for readers 18+.
