Are You Ready to Finally Find Your Passion? What's the secret to living a life full of passion, purpose and meaning? The secret is that there is no secret. The answer is hiding in plain sight. This book is different from other books of its kind, because it nudges you to look inside. In "Find Your Passion: 25 Questions You Must Ask Yourself" you'll dive into questions that will help you uncover what makes you come alive. You'll learn to follow your inner excitement, which will result in you living a more passionate life. Wake Up Full of Excitement, Purpose and Passion Finding and following your passion seems like an easy process. You find your passion, and everything is smooth sailing from there. Unfortunately, it's not quite that easy. The reason many people aren't living their dreams is because they're held back by ideas, fears and conditioning. The truth is that you can live the life you secretly dream of living. Deep down, you already know it's doable, but you're afraid, uncertain, or just unsure about where to start. This book will not just give you cookie cutter advice you've heard before. It will give you questions that allow you to uncover your true passions. It may not happen overnight like many promise. But this is the first step in the right direction. These questions will empower you to trust yourself, because you already know what you need to do. Uncover the Truth About Living a Passionate Life In this book, you'll dip into the personal stories and experiences of Henri Junttila, who's doing work he loves, and has helped hundreds of others turn up the passion in their life. Here's a taste of what you'll discover when you read this book: How your definition of passion stops you from living the life you want A simple way to connect to your inner wisdom (and get the guidance you need) How to discover if you're on the right track (or on the wrong track) Tap into your personality to uncover your true passion and purpose Why using negativity can dramatically increase the positivity in your life How to activate the creative problem solving powers of your brain Uncovering what's really holding you back from getting what you want A powerful exercise that will help you easily overcome challenges in your life This book is filled with honest, practical, and down-to-earth strategies for tapping into your inner wisdom. You already have everything you need to live the life you want. You just have to learn how to listen. Are You Ready to Live a Passionate Life?
