Pregnancy and childbirth are often depicted as a time of sickness and mood swings for women followed by twelve to twenty hours of pain and hard labor. Many women have been told they can never conceive. Others have suffered the pain of conceiving and miscarrying. Have you had enough of this picture? Supernatural Childbirth is a practical and realistic look at God's promises for conception, pregnancy and delivery. This is not "pie-in-the-sky"-This is a personal testimony of how one couple overcame defeat and triumphed in God's plan! Jackie Mize had been told she could never have children. However, by unlocking powerful truths and dynamic faith principles she and her husband, Terry found in the Bible, they now have four miracle children! This exciting book shares with you these truths and faith principles.
