CONTINUE ►

This is a Bad Boy Billionaire Romance collection that includes two full-length novels and a short story. All stories have a happy ending, no cliffhangers and are filled with hot scenes you can enjoy. **The Dom's Hostess: A Billionaire Secret Baby Romance** (Island of Love Series Book 1) Astor Christakos needed a vacation from the reality of being the CEO of a high-powered investment company. Nova Blankenship had been offered a new job. That's how they both found themselves at the newest tropical island resort opened by billionaire Galen Dunne: Nova as a hospitality hostess, Astor as an entitled guest who had to have things his way or else. The practicing Dom hadn't met a suitable Sub in some time, and Nova could use a man's hand to smooth out her rougher edges. And so Astor's hunger began to sizzle for the young, succulent hostess. Though she protested and argued that she could not and would not be tamed by him or any man, Astor took her on as a challenge. But who would end up owning whom in the end? **Her Dark Secret: A Billionaire and a Virgin Romance Novel** When billionaire philanthropist Attico Fibonacci returns to his alma mater to give the commencement speech, he doesn't expect to fall in love. When he meets the young teacher Temple Dubois, there is an instant attraction and Attico extends his trip to the school to get to know her. Soon, they embark on a fun, erotic, sensual affair, and find themselves falling in love, and Attico is there for her when the last remaining member of Temple's family, her brother Luc, is found dead. Then the school is rocked by the horrific murder of a promising young student, and Attico is shocked when he sees the killing bears the mark of a secret society based around a centuries' old tarot deck that he thought was long dead. Taking Temple away from Geneva, Attico asks her a question which changes the nature of their relationship forever and Temple has to decide whether she can live with her decision. **The Hero She Needs: A Single Daddy Next Door Romance** He's the only man I've ever wanted... He's my superhero. Tall, dark, and handsome, Damon Case has it all: wealth, power, a mysterious past, and the body of a God. He protects the town, and he's protected me, forcing my awful parents to stop hurting me. I don't care how checkered his past is. I have to have him. He tells me I'm too good for him. But without him, I'm lost; he's the only man who can make me feel safe. Now suddenly, criminals have come to our small town, and I'm one of their targets. And here comes Damon to my rescue again. I finally get my one night in his arms, but dawn brings a terrible revelation. One of the boys who attacked me has been shot dead, and Damon's the prime suspect. Damon swore he would never kill again... But if he didn't pull the trigger, who did?
