President Donald J. Trump lays out his professional and personal worldview in this classic work--a firsthand account of the rise of America's foremost deal-maker. "I like thinking big. I always have. To me it's very simple: If you're going to be thinking anyway, you might as well think big."--Donald J. Trump Here is Trump in action--how he runs his organization and how he runs his life--as he meets the people he needs to meet, chats with family and friends, clashes with enemies, and challenges conventional thinking. But even a maverick plays by rules, and Trump has formulated time-tested guidelines for success. He isolates the common elements in his greatest accomplishments; he shatters myths; he names names, spells out the zeros, and fully reveals the deal-maker's art. And throughout, Trump talks--really talks--about how he does it. Trump: The Art of the Deal is an unguarded look at the mind of a brilliant entrepreneur--the ultimate read for anyone interested in the man behind the spotlight. Praise for Trump: The Art of the Deal "Trump makes one believe for a moment in the American dream again."--The New York Times "Donald Trump is a deal maker. He is a deal maker the way lions are carnivores and water is wet."--Chicago Tribune "Fascinating . . . wholly absorbing . . . conveys Trump's larger-than-life demeanor so vibrantly that the reader's attention is instantly and fully claimed."--Boston Herald "A chatty, generous, chutzpa-filled autobiography."--New York Post
