Full of daring theories and fascinating tales from the world of Ice and Fire, Game of Thrones: The Book of White Walkers delves deep into the most riveting aspects of White Walkers - who they are, where they came from and where they are going. How did the First Men cross the Narrow Sea, habitat of the Children of the Forest, and how did the war of technology and magic unleash the White Walkers? Was it really Bran the Builder who constructed the Wall and what horror lies underneath it? And is the Wall truly the permanent structure fans perceive it to be, or will it be razed through one of the many ways hinted at in the books? Finally, can White Walkers be truly defeated, and if so, how? A perfect gift for fans of the TV show as well as the book series, Game of Thrones: The Book of White Walkers serves as both an introduction and an accompaniment to the existing media. If you want to find out how the World of Ice and Fire came to be or what might happen next, this is the place to start!
