Comprehensive, intelligent overview of all the key concepts covered in a typical introduction to paralegal studies course. Introduction to Paralegal Studies, Sixth Edition combines an introduction to law and legal concepts with practical information about what paralegals actually do in the legal system. A critical thinking approach used to introduce students to the study of law, encouraging them to interact with the materials through hypotheticals, examples, and well-designed questions. The text is divided into four parts, reflecting the topics addressed in an introductory course:
