**CONTINUE ►**

In ancient times, the study of the heavens and the study of the psyche comprised a single science - astrology - leading C. G. Jung to describe it as "the first form of psychology". In *Making the Gods Work for You*, you will learn how archetypal forces - symbolized as planets or gods - can help you create change in your life and in the world. With wit and scholarship, Caroline Casey (a Brown University-trained semiotician and astrologer) reveals the mythical and magical dimensions of 10 planetary forces along with meditations and exercises for connecting with the larger forces of the universe. Here is a visionary view of the hidden connections between the heavens overhead and the "miniature cosmos" within each of us. Accompanied by drumming and songs by Jacqui MacMillan and Amikaeyla Gaston.
