Times best-selling author and career intelligence officer Malcolm Nance's fast paced real-life spy thriller takes you from Vladimir Putin's rise through the KGB from junior officer to spymaster-in-chief and spells out the story of how he performed the ultimate political manipulation - convincing Donald Trump to abandon 70 years of American foreign policy including the destruction of NATO, cheering the end of the European Union, allowing Russian domination of Eastern Europe, and destroying the existing global order with America at its lead. The Plot to Hack America is the thrilling true story of how Putin's spy agency, run by the Russian billionaire class, used the promise of power and influence to cultivate Trump as well as his closest aides, the Kremlin Crew, to become unwitting assets of the Russian government. The goal? To put an end to 240 years of free and fair American democratic elections.
