Trying to put past hurts behind you is hard when your ex is a fool, but buoyed by child support and alimony, Jo Walker is moving forward with her life, pursuing a career, raising her little girl, and trying to live in peace. She believes she has all the bases covered in her world. But what about her heart? Rap legend Everett "Big South" McClain is divorced, too, knows all about failed relationships, and has relegated his love life to casual connections rather than pursuing something real. That is, until he lays eyes on Jo. She's exactly what he never knew he needed. He's what's been missing from her world. Will she accept what he has to offer and let him love her? Contains mature themes.
