**NOW THE STARZ ORIGINAL SERIES OUTLANDER** With her classic novel *Outlander*, Diana Gabaldon introduced two unforgettable characters—Claire Randall and Jamie Fraser—delighting readers with a story of adventure and love that spanned two centuries. Now Gabaldon returns to that extraordinary time and place in this vivid, powerful sequel to *Outlander*. **DRAGONFLY IN AMBER** For twenty years, Claire Randall has kept her secrets. But now she is returning with her grown daughter to the mysteries of Scotland's mist-shrouded Highlands. Here Claire plans to reveal a truth as shocking as the events that gave it birth: the secret of an ancient circle of standing stones, the secret of a love that transcends centuries, and the truth of a man named Jamie Fraser—a Highland warrior whose gallantry once drew the young Claire from the security of her century to the dangers of his. Claire's spellbinding journey continues through the intrigue-ridden French court and the menace of Jacobite plots, to the Highlands of Scotland, through war and death in a desperate fight to save both the child and the man she loves. Praise for *Dragonfly in Amber* "Diana Gabaldon is a born storyteller. . . . The pages practically turn themselves."—*The Arizona Republic* "A triumph! A powerful tale layered in history and myth. I loved every page."—Nora Roberts "Compulsively readable."—*Publishers Weekly* From the Hardcover edition.
