Hunter Raines is restless. Now that his friends are mated, the cougar inside him is pacing, ready for the next adventure. But everything changes when curvy, sweet Kelly walks into the bar, hiding secrets and radiating fear. Hunter's cougar is ready to pounce on whatever is threatening her, and Hunter is pretty sure that he just found a reason to stay in Silver Lake. Kelly doesn't know how much longer she has until the horror she's been running from finds her. Hopefully, her move to Silver Lake will give her the peace and quiet she needs to get back to work. But maybe even work can wait when a sexy man with blond hair, blue eyes and magic hands shows up unexpectedly, offering help with her wreck of a cabin. It doesn't take long for warm friendship embers to burst into white-hot lust. Meanwhile the monster stalking Kelly is still coming ever closer, threatening to destroy them both. But Hunter knows something Kelly doesn't: that the overprotective cougar inside him won't let anything happen to the woman he knows is his mate. Purrfect for Me is the third book in my Built Fur Love series! It contains a protective cougar, a terrifying shifter stalker, and a work crew who has each other's backs no matter what. The first and second are here: [1. amazon.com/dp/B07H2Z5QJG2](https://www.amazon.com/dp/B07H2Z5QJG2). [amazon.com/dp/B07H85XNY8MY](https://www.amazon.com/dp/B07H85XNY8MY) BOOKS WILL NEVER CONTAIN: Cheating, unfaithful heroes, or an ending that is anything but happy.
