

gs1kA [Free PDF File] Painting Imaginary Flowers: Beautiful Blooms and Abstract Patterns in Mixed Media

CONTINUE ►

Working from imagination is a fun way to create unique art. Kick off your imagination with six chapters and fifteen demonstrations, beginning with abstract backgrounds and followed by guidance on finding outlines and shapes. Apply techniques featuring alcohol drops and negative painting to see flowers emerge and, finally, add unique details with pens and inks to create mixed-media layers and beautiful colors. If you want to be more creative, or you just want to experiment instead of relying on reference photos, try this unique style to create fun, beautiful paintings--no prior artistic experience required!
