Scholarships, Grants & Prizes 2019 provides up-to-date information on more than 1.6 million awards worth nearly 10 billion dollars available to college students. It contains detailed profiles of awards based on academic fields and career goals, ethnic heritage, talent, employment experience, military service, and other categories that are available from private sources such as foundations, corporations, and religious and civic organizations. Approximately 3,500 profiles include information on award amounts, eligibility requirements, application deadlines, contact information, and more. Easy-to-use indexes allow students to search for awards by criteria like academic fields/career goals, sponsoring organizations, employment/volunteer experience, military service, nationality or ethnic heritage, corporate or religious affiliation, talent/interest area, and location of study. Quick-reference chart lists programs offering awards ranging from \$50 to \$15,000. Informative articles offer tips on winning a scholarship with a winning essay, guidance on getting in the minority scholarship mix, ways to use social media to help pay for college, strategies for searching for and finding awards, and more.
