From living in a tent to owning her own business, an uptight business owner hires a broke billionaire who's never worked in customer service. His inexperience could cost her everything including her livelihood but firing him could lose her more than her heart. Tiffany Louise comes from humble beginnings and has clawed her way to owning a modest business on wheels. Ready to take on an employee, Tiffany can't find anyone willing to work for her. Desperate to increase the hours of operation for her shave ice truck and also... not to feel so alone, Tiffany staples ads all over the place, which doesn't win her any love in the community. She's only gotten as far as she has through sheer force of will and monumental control – and the townsfolk know it. Just when she thinks nothing can go her way, her luck changes when she convinces the charismatic Kaelin Steed to take the job, the confident and charming beach comber she sees every day. Kaelin Steed has lost everything in a family legal battle for billions and he's returned to his grandmother's hometown in the small town of Getaway Bay. Unwilling to use his autonomy to get ahead, Kaelin takes the last job anyone in town will consider – working for the shrewish shave ice truck owner with green eyes and unruly red hair. Kaelin just wants a steady check but his inexperience and cocky attitude, not to mention inability to be subservient, could cost them both their goals and their dreams. Chaos won't be tolerated, but around Kaelin, Tiffany feels more out of control than the storms over the ocean. Falling in love isn't an option when eating their next meal is on the line. Escape to Getaway Bay and join the Clean Billionaire Beach Club for some seriously sweet romance. Each book can be read as a standalone, with a happily-ever-after ending, and clean, sweet-without-losing-the-heat romance! Read all the books in the Clean Billionaire Beach Club Romance series by USA Today bestselling author Elana Johnson and USA Today bestselling author Bonnie R. Paulson: 1. The Brainy Billionaire 2.
