Turn everyday items into survival necessities! Would you be prepared if you needed to survive in the wilderness? Survival expert Creek Stewart shares his cache of practical, easy-to-follow tricks to help you transform everyday items into valuable gear that can save your life. Survival Hacks takes you step-by-step through transforming simple objects like soda tabs and plant leaves into essential survival tools. This rough-and-rugged guide covers everything from small-scale hacks, like using sticks and rope to make a table, to the big stuff, like creating a one-person emergency shelter from a trash bag or purifying dirty water using a plastic bottle and the sun. And you can be ready anywhere you go with everyday carry kits, pocket-sized survival kits, so you're never without the essential tools you need to make it on your own. Being prepared can make the difference when it comes to your survival in an emergency. And Survival Hacks makes it a whole lot easier.
