Giant Afro. Even Bigger Brain. Jaden Toussaint is a five year-old who knows it all. I mean, really knows it all. Animal Scientist. Great Debater. Master of the art of ninja dancing. There's nothing Jaden Toussaint can't do. The only problem is that grown-ups keep trying to convince him that, even though he's really smart, he doesn't know EVERYTHING. The thing is...he kind of does. This time our hero must use all his super-powered brain power to convince the grown-ups that he needs more screen time.
