Ben Passmore's necessary contribution to the dialogue around race in the United States, *Your Black Friend* is a letter from your black friend to you about race, racism, friendship and alienation. On the heels of viral online success with 500,000+ views, the revised print edition of the *Your Black Friend* comic is in gorgeous full color on fancy matte paper stock. Inspired by Frantz Fanon's *White Skin, Black Masks*, *Your Black Friend* is just as direct, immediate, and necessary as Ta-Nehisi Coates' *Between the World and Me* and Claudia Rankine's *Citizen*. Known for his politically charged science fiction comics, enthusiastic fans of Passmore's work include Brandon Graham (Island, Image Comics), Carolyn Nowak (Lumberjanes) and Josh Simmons (Fantagraphics).
