Nursing a sense of humor remains as vital as ever to the unsung caregivers who joined Florence Nightingale in her calling. After all, in a typical day nurses see and hear some downright crazy stuff—all while maintaining a calm, professionalism, even when they feel like cracking up. The Nurses 2019 Calendar rewards nurses with a daily mental-health break, each page greeting them with a medical joke, quote, or anecdote that's sure to make them smile. As an added bonus, the back of each page includes Daily Extra content such as puzzles, lists, activities, tips, and trivia.
