This New York Times best seller was the inspiration for the first season of American Crime Story on FX, starring Cuba Gooding, Jr.; John Travolta; David Schwimmer; and Connie Britton. The definitive account of the O. J. Simpson trial, The Run of His Life is a prodigious feat of reporting that could have been written only by the foremost legal journalist of our time. First published less than a year after the infamous verdict, Jeffrey Toobin's nonfiction masterpiece tells the whole story, from the murders of Nicole Brown Simpson and Ronald Goldman to the ruthless gamesmanship behind the scenes of "the trial of the century". Rich in character, as propulsive as a legal thriller, this enduring narrative continues to shock and fascinate with its candid depiction of the human drama that upended American life. Please note: This audiobook is a recording of the original 1996 edition of The Run of His Life. It does not include an Afterword added to the 2013 reissued edition.
