So, when her grandmother calls and asks her to move to Florida to help run her café, she cannot get out of Minnesota fast enough! Life is now exactly how Faith had imagined it could be. She's made wonderful friends. The café, now renamed the Slice of Paradise, has been renovated to showcase her amazing desserts. And both locals & tourists are loving it! Well, all except for one... The owner of a nearby cupcake shop is not at all happy with Faith's arrival in Paradise Point. She has accused Faith of trying to ruin her by stealing her recipes & designs. And she is not shy about letting everyone know it. So, when the woman is found dead the day after their confrontation, people immediately begin to consider whether Faith is the killer... Is Faith guilty of murder? If not, who is? And can Faith find a way to clear her name before her dreams turn into nightmares? Learn the answers to these questions and so many more inside this big, bundled box set! We'll see you in there!
