A Girl's On-Course Survival Guide to Golf Series 2 is the follow-up book and, like the first best-selling title, is jam-packed with cover to cover pictures and Christina's signature Step 1-2-3's, DO's/DONT's and YES/NO's. This Survival Guide is the sister to the Pink book addressing the main culprits that keep our scores high from tee to green. The Pink book was my journey to a 5-handicap in 5 years. This book is YOUR journey towards your goals. Over the last few years, I have seen common threads among women that continually frustrate them from getting to that next level. I am addressing these threads head on; real problems with real solutions! In fact, I am thrilled to announce a new section called Before & Afters with Real Women! Real women that'll inspire your game!
