

[GET] Practical Meditation for Beginners: 10 Days to a Happier, Calmer You

CONTINUE ►

Master 10 meditation techniques in 10 days with the step-by-step method in Practical Meditation for Beginners. The key to building a solid meditation practice is in the practice itself. From Zen and Vipassana to walking meditations and body scans, the simple practices outlined in Practical Meditation for Beginners make it easy to build an ongoing meditation routine that is best for you. Written by experienced meditation teacher Benjamin Decker, Practical Meditation for Beginners offers a clear 10-day program for learning 10 different meditation techniques—one for each day of the program. Newcomers and experienced meditators alike will enjoy the ease and variety presented in Practical Meditation for Beginners. In the pages of Practical Meditation for Beginners you'll find: Accessible and effective, Practical Meditation for Beginners is a true how-to guide that will empower you to meditate with confidence right away.
