

# 97cVx [GET] The Art of War: The Definitive Interpretation of Sun Tzu's Classic Book of Strategy

**CONTINUE ►**

Learn the strategy and philosophy of China's most celebrated military theorist with this highly readable and informative edition of The Art of War. The Art of War by Sun Tzu is the best known and most highly regarded book on military strategy ever written. Although its wisdom is from ancient China, its principles and advice are timeless—as applicable in the boardroom as they are on the battlefield. Unlike contemporary translations that have focused too heavily on applying this military classic to corporate conflicts, this definitive interpretation maintains the impact of the original. Written for martial artists by a martial artist, it is free of academic commentary and ambiguous metaphors, as Hanshi Kaufman uses straightforward prose to explain Sun Tzu's message. Like the original, this new interpretation is divided into thirteen sections, each presenting vital information on military strategy ranging from assessing opposing armies and the proper treatment of troops to the use of spies.
