Robert Greene's previous bestseller, *The 48 Laws of Power*, distilled 3,000 years of scheming into a guide People praised as "beguiling... literate... fascinating" and Kirkus denounced as "an anti-Book of Virtues." In *Art of Seduction*, Greene returns with a new instruction book on the most subtle, elusive, and effective form of power-because seduction isn't really about sex. It's about manipulating other people's greatest weakness: their desire for pleasure. Synthesizing the work of thinkers including Freud, Diderot, Nietzsche, and Einstein, reporting the enticing strategies of characters throughout history, *The Art of Seduction* is a comprehensive guide to getting what we want-any way we can.
