Michael has written a must-read book for anyone who wants to quit their job with real estate investing. Read this book, and learn from one of the best -Ken McElroy, Principal of the MC Companies, Best-Selling Author of The ABCs of Real Estate Investing, International Speaker and Real Estate Advisor to Robert Kiyosaki. Discover the (surprising) secret to lifelong financial freedom with real estate investing. Real estate has always been a powerful tool for investing, and many people believe that a single-family home investment strategy will help them achieve their goals. However, the true path to financial freedom using real estate is found in apartment buildings. Real estate investing expert and author Michael Blank learned that once investors did their first deal, the curious Law of the First Deal led to the second and third deals in rapid succession. Most were able to quit their jobs within 3-5 years of getting started. Of course, when most people hear "apartment buildings" they immediately assume they need years of investing experience and money saved up to be able to get into the game. This simply isn't true. Michael has compiled the results of his research into his new book, Financial Freedom with Real Estate Investing: The Blueprint to Quitting Your Job with Real Estate - Even without Experience or Cash. He's outlined the Financial Freedom Blueprint that guides you through your first multifamily deal, even if you have no prior experience or your own cash. In this book, you'll learn the secrets of being a successful apartment building investor, including: How to raise all the money you need to do your first deal. How to get your offers accepted even if you're new to the game and don't have proof of funds. How to analyze deals and make offers in as little as ten minutes. The #1 way to find the best deals. Apartment building investing is the only true way to achieve financial freedom with real estate. And the best part? You can get started today, even if you don't have prior experience or your own cash. You just need to follow the Financial Freedom Blueprint. Financial Freedom with Real Estate Investing is your guide to the world of apartment building investing. By the end, you'll have all the information you need to do your first apartment building investment within the next 3-12 months, placing you just a few deals away from permanent financial freedom. Take that first step today! Scroll up and click the Buy Now button.
