It all started with a wedding...Well, three weddings, to be exact. The one that happened, the one that went up in flames, and the one nobody saw coming. Andrew Collings has seen a lot of things living in Vegas. Hell, he's done a lot of things. But one thing he's never witnessed is a beautiful brunette, hitchhiking her way into the city, wearing a wedding dress. Until now, that is. Brynne Adams is running away from a broken heart. She expected a lot of things from her wedding day but finding photos of her fiancé and maid of honor and best man in a compromising position wasn't one of them. She most certainly never imagined that she'd end up marrying the handsome stranger that rescued her from the side of the road that day. Andrew and Brynne's quick nuptials may have been the result of a drunken joke, but they soon realize that love can be found in the most unlikely of places if you just stop and take a chance. \* Wicked Wedding is the fourth book in the LEFT AT THE ALTAR series in a collaboration of six New York Times Bestselling Authors: J. S. Scott, Ruth Cardello, Raine Miller, Sawyer Bennett, Minx Malone, and Melody Anne.
