Never Get Angry Again is New York Times and internationally bestselling author David J. Lieberman's comprehensive, holistic look at the underlying emotional, physical, and spiritual causes of anger, and a practical guide to what the reader can do to gain perspective. David J. Lieberman understands that a change in perspective is all that is needed to help keep from flying off the handle. In Never Get Angry Again, he reveals how to see anger through a comprehensive, holistic lens, illuminates the underlying emotional, spiritual, and physical components of anger, and gives the readers simple, practical tools to snuff out anger before it even occurs. Take a deep breath and count to ten. Meditate. Visualize your happy place. You've probably heard all of these anger management techniques and more from friends, family, and experts, but somehow they miss the mark when it comes to coping with the complex emotion of anger. When we fight the urge to blow up or melt down, we fight against our own nature.
