The all-new third edition Guide to Moab, UT Backroads & 4-Wheel-Drive Trails adds 25 trails and two new areas. Every trail represented has been freshly driven and documented using the latest GPS technology for extreme accuracy. Over 500 color photos show scenery as well as trouble spots. Tips and advice from local experts help to get you through the trail. All trails are BLM approved and are legal routes. More Jeep Safari trails are referenced as well, including Cameo Cliffs, the Pickle, Where Eagles Dare and Rusty Nail. After spending a few days driving Area BFE, the need for a concise and accurate overview map and directions became clear and full descriptions have been added. With this latest edition as your guide, you'll enjoy multi-day overland adventures in new areas, which include the Maze District in Canyonlands National Park and the San Rafael Swell.
