The Living Trust Plus Asset Protection Trust protects your assets from probate PLUS lawsuits PLUS the catastrophic expenses often incurred in connection with nursing home care. The Living Trust Plus is the only type of self-settled asset protection trust that allows a settlor to be trustee and retain an interest in the trust while also protecting the assets from being counted by state Medicaid agencies. Even though the Living Trust Plus is irrevocable, you retain a high degree of control over your trust assets because: (1) you can be the trustee if desired; (2) you can retain the right to receive all of the trust income; (3) you have the right to live in and use your real estate; (4) you have the right to change trustees; and (5) you have the right to change beneficiaries. Evan H. Farr, Certified Elder Law Attorney, is the creator of the Living Trust Plus Asset Protection System used by dozens of Estate Planning and Elder Law Attorneys around the country, and is widely recognized as one of the foremost experts in the nation in the field of Medicaid Planning and Medicaid Asset Protection Trusts. Evan has been recognized as one of the nation's top lawyers by SuperLawyers.com, Martindale-Hubbell, Best Lawyers in America,

and Newsweek Magazine. A nationally-renowned Best-Selling author and frequent educator of attorneys across the U.S., Evan is known as the "expert to the experts," having educated tens of thousands of attorneys across the country. His numerous publications include a Best-Selling book, *Protect and Defend*, the *Nursing Home Survival Guide*, as well as two legal treatises published by the American Law Institute in affiliation with the American Bar Association: *Planning and Defending Asset Protection Trusts* and *Trusts for Senior Citizens*.
