Here's your shortcut to the tablet era! Getting an iPad is a great way to stay up to date with the latest technology, and connect with friends and family all over the world. If getting started with your new tablet seems overwhelming, this senior-friendly guide will help you set up, personalize, and start using your iPad in no time. Featuring larger text, full-color pictures, and step-by-step instruction, iPad For Seniors For Dummies will make it easy to get up and running with your Apple tablet. In this easy-to-use resource, you'll discover how to take and share pictures, download apps, manage appointments, stay in touch on social networking sites, read e-books, play games, and so much more. If you're ready to 'wow' your friends—and even your grandkids—by showing them just how tech savvy you are, everything you need is inside! Navigate and customize your iPad. Browse the web and send emails. Make FaceTime video calls. Understand iCloud and the new iOS operating system. With helpful information for first-time tablet users as well as those looking for guidance after upgrading from an older-generation iPad, this book helps you get the most out of working—and playing—with your new tablet.
