Meeting the Ethical Challenges of Leadership: Casting Light or Shadow, Fifth Edition identifies the unique ethical demands of leadership and then equips readers to meet these challenges. This new edition retains the elements of the text that have contributed to its success while broadening its appeal. Written in an informal, accessible style, author Craig E. Johnson takes an interdisciplinary approach to leadership ethics while blending research and theory with practical application. This unique text promotes ethical decision-making and action through skill development, self-assessment, and application exercises.
