

**CONTINUE ►**

The sky was ablaze with shooting stars. Everyone had marveled at the sight, but as Zack Dyer watched and wondered what they meant, he heard a voice telling him why they had appeared. He suddenly knew what they signified and that he had been chosen to lead the faithful away from here to a place where they would be safe from what was to come. He must show them the path to a haven from destruction.

The sky was ablaze with shooting stars. Everyone had marveled at the sight, but as Zack Dyer watched and wondered what they meant, he heard a voice telling him why they had appeared. He suddenly knew what they signified and that he had been chosen to lead the faithful away from here to a place where they would be safe from what was to come. He must show them the path to a haven from destruction.
