Too many people make the wrong choices when it comes to estate planning. If it's not done properly, you could leave your loved ones facing trouble when you pass away or become incapacitated. Fortunately, you can learn from other's mistakes and be prepared before speaking to a lawyer about your future. In this no-nonsense guide, attorney James L. Cunningham, Jr. shows how to avoid the top-ten mistakes that could damage your financial succession, family, heirs, and legacy. You'll get the unvarnished picture on probate, living trusts, living wills, powers of attorney, conservators, and guardians, as well as disability and incapacity planning and how to find the right attorney for you. There's even a checklist to guide you on what issues to discuss with them. Savvy Estate Planning provides the essentials you need to know about estate planning. The only mistake you could make now would be to ignore it.
